Don't Forget To Print This Page!

Quarters begin on January 1st, April 1st, July 1st, and October 1st. Also, your first bill includes setup fees when applicable.

If applicable, we will be submitting your new domain name registration to InterNIC. Once registration is confirmed by InterNIC and your Internic registration at Internic, your domain will be recorded in the DNS service.

*You will receive a separate invoice from InterNIC in the amount of \$70.00 per new domain name within the next 30 days.

InterNIC does not charge you to transfer a domain name to us for hosting*

Please note that your domain name will be unreachable through any Internet service until your payment is received and your domain is recorded in the DNS service.
